Notice EQ-111

For: State Offices

Federal Archaeological Activities Report (CEP-66R)

Approved by: Acting Deputy Administrator, Farm Programs

1 Overview

A

Background

Section 5(c) of the Archaeological and Historic Preservation Act of 1974 and Section 13 of the Archaeological Resources Protection Act of 1979, as amended, require that an annual report on Federal archaeological activities be:

- prepared by the Secretary of the Interior
- submitted to Congress.

This report provides information about all Federal archaeological activities:

- to offer assistance with professional methods for archaeological preservation
- for the administration of historic preservation programs.

B

Purpose

This notice provides information to State Offices on accessing and completing CEP-66R for FY 2001 (October 1, 2000, through September 30, 2001) online. The information received from the State Offices will be compiled by FSA's National Office and submitted to the Secretary of the Interior for inclusion in the government-wide Report to Congress for Fiscal Year Activities.

CEP-66R is a series of questions that apply to archaeological investigation, protection, management, recovery, and collection management activities carried out under Federal authority by FSA, its producers, its borrowers, and its contractors.
